Chapter 1 - Spiritual Awakening

This is a spiritual book about Spiritual Change and I wanted to write this Spiritual Book to help readers, spiritual leaders, spiritual seekers, spiritual creators understand the importance of Spiritual Change.

Spiritual Change is very important to learn and understand and the Spiritual Change can make the difference between helping other people & giving back or making no spiritual contributions to helping other people.

Spiritual Change is something that is not talked about within world and society and for the few spiritual leaders, spiritual seekers, spiritual creators who find Spiritual Change it still become a hidden and private thing because they don't understand what has happen to them.

Spiritual Change is everything in the work of helping other people & giving back. I am writing this Spiritual Book to inspire and encourage spiritual leaders, spiritual seekers, spiritual creators to really focus on learning and understanding the Spiritual Change.

Spiritual Change is very important in life to discover and find but it something that can only be shown once you help other people & give back.

Some people don't really understand the importance of Spiritual Change because there is a very important reason why because they don't help other people or give back.

When you don't go through a Spiritual Change to help other people and give back your life become nothing and empty and you never ever find any meaning or value in the work, careers, vocation, occupation, business, volunteering you do because you didn't help other people or give back.

Spiritual Change is focus on helping other people & giving back. I don't want to get the inspiration or message in this book wrong because that wouldn't be helpful to anyone who choose to read this book. The inspiration that I am sharing here is helping other people & giving back. Spiritual Contributions in helping other people & give back. Making a difference and spiritual contributions into people lives.

Spiritual Change comes from Spiritual Awakening which is rare to find within society and the world today

because people don't want to go through Spiritual Change and choose to not help other people or give back.

I want the readers, Spiritual Leaders, Spiritual Seekers, Spiritual Creators to understand this **YOU NEED TO SPIRITUAL CHANGE BEFORE YOU CAN HELP OTHER PEOPLE OR GIVE BACK.**

The Spiritual Change is the importance thing.

Spiritual Awakening

Meaning of Spiritual Awakening - A spiritual awakening is a profound shift in awareness, often described as a journey of self-discovery and a deeper understanding of one's connection to the universe and a higher power.

Spiritual Awakening is Spiritual Awareness, Self-Discovery, Deeper Understanding of one connection to universe and higher powers.

Spiritual Awakening comes to human beings who go through Suffering – Pain – Adversities within their life but overcome their life suffering – pain – adversities to help other people & give back.

The importance thing about Spiritual Awakening is Suffering – Pain – Adversities

For spiritual leaders, spiritual seekers, spiritual creators I want you to understand this now – **Suffering – Pain – Adversities is part of the Spiritual Journey to Spiritual Awakening.**

You cannot do the Vocation and Career Path without Suffering – Pain – Adversities

Spiritual Awakening comes at a price to discover faith & spirituality this price is called Suffering – Pain – Adversities.

If you don't go through any Suffering – Pain – Adversities how would you develop the qualities of Helping Other People & Giving Back. Sometimes in life the learning comes from the Suffering – Pain – Adversities you experience to help you to Spiritual Contribute and help other people & give back.

Spiritual Awakening is a journey of life itself to become more Spiritual & Faithful.

You can not Spiritual Change without a Spiritual Awakening

Everything start with the Spiritual Awakening first before you can help other people & give back.

Spiritual Awakening is a process of understanding life, faith, spirituality which is very important.

Sometimes in life we go through serious life challenges, suffering, pain, adversities which will completely destory our life but once you understand that all the suffering, pain, adversities you go through as a human being is met to make you go through a Spiritual Awakening and this comes through the serious life challenges, hardships, disappointment, suffering, pain, adversities we go through within our daily life.

It is important to realise that Spiritual Awakeining is the beginning of the journey of life and you learn so much about yourself and others from going through suffering, pain, adversities which is very painful but can be the most important thing in faith & spirituality.

I am going to share a image about The Process of Spiritual Awakening

The Process of Spiritual Awakening

1. **The Self** – Your Life Experiences, Personality, Behaviour, Characters, Mentality, Morals, Values, Beliefs, Qualities, Abilities, Self
2. **Suffering – Pain – Adversities** – All of your life problems, challenges – difficulties which is Suffering – Pain – Adversities
3. **Understanding Yourself & Life Experiences** – Process what you have gone through as a human being and coming to terms with all of your life experience (Positive or Negative)

4. **Spiritual Awakening** – Understand oneself and becoming Spiritually Awakened
5. **Know Thyself** – No Self – Totally Understand Yourself – Know Thyself

In the spiritual awakening process you have to go through suffering – pain – adversities before you discover yourself as a human being that why the spiritual awakening is a very hard and painful process to go through but this can be very important for your faith & spiritual development.

It is important to understand spiritual awakening doesn't mean your ever free from the life experience, life challenges, life difficulties you have faced no because you will always have your life experiences as part of your daily life but what spiritual awakening means is that your free from the past and you overcome the Suffering – Pain – Adversities.

The hard thing in life is that we always live with Suffering – Pain – Adversities within our life because this is part of the human conditioning but there ways of how you can Overcome the Suffering – Pain – Adversities

To understand Spiritual Change there must be a Spiritual Awakening from “The Self” into “No Self” because if we don’t overcome the Suffering – Pain – Adversities within our life then we cannot discover the No Self.

No Self is the Spiritual Change which means once you understand The Self and all of the life challenges, life struggles, life difficulties, life hardships, life disappointments, life misery then you can become the No Self.

The No Self is Total understand of The Self which means there No More Self within you because you understand yourself as a human being.

No Self is the Spiritual Change that changes your life from thinking about The Self into No Self.

Once you discover No Self then your become Spiritual Awakened and Spiritual Liberated. This can sometimes turn into Spiritual Freedom where you can live your life free from the Past "The Self" and focus your life on Helping Other People and Giving Back.

Without a Spiritual Awakening you cannot discover the No Self

The Process in 3 Stages of Spiritual Change

1. **The Beginning (The Self)** – The Self is how we live our life day to day because we are born as a human being which means we live within Mind, Body, Spirit, Soul. The Self is the Problems of life because with The Self comes destruction, suffering, pain, adversities. As human being no one has told us how we should live our life on earth and life itself is the mystery which no one really know why we are living and alive. Because there is no

Religion, School, Teacher, Parents, Spouse, Children, Colleagues that can tell you how to live your life then we all get confused as to how we live our daily life. There is no Human Being which is perfect because we all made mistakes, failures and we have all been confused on how we live our life. That's why we will never really understand how negative & destructive The Self is within our own life until we observe and process our life experiences. This can be painful and hurtful to do because no one wants to look at all the Suffering – Pain – Adversities, Mistakes, Failures they have done in their own life but this is the only way to become Spiritually Awakened. Suffering – Pain – Adversities is part of life and until we look at ourselves without any judgement and try to process what we have gone through as a human being we will never understand Spiritual Awakening because when you are Spiritually Awakened you are free from your past and you have Spiritual Change.

- 2. The Unknown (Spiritual Change)** – To understand ourselves as a human being we need to develop 5 Spiritual Practices that can help guide

us into learning about ourselves and what we have been through as human being. 5 Spiritual Practices are faithful & spiritual practices that can help you to discover Spiritual Change which become very important and vital. If we don't develop 5 Spiritual Practice to help us with learning & understanding about ourselves then how can we go through a Spiritual Change & start the process of Spiritual Awakening. 5 Spiritual Practices – 1) Prayer, 2) Meditation, 3) Mindfulness, 4) Journalling, 5) Walking. These 5 Spiritual Practices can help us to Spiritual Change. As I have said in books – audios – videos – podcasts – messages – talks – speeches if we want to Spiritual Change, we need to develop the 5 Spiritual Practices to help us understand ourselves and our life experiences. Remember the 5 Spiritual Practices doesn't cost any money to do it is all free but we need to decide and make a choice to do all 5 Spiritual Practices or Not. You cannot go through Spiritual Change if you don't develop a Spiritual Practice to keep you faithful & spiritual. It hard to see within the world & society today that most people will never become Spiritual Awakened or go through Spiritual Change because they didn't develop the 5 Spiritual

Practices in their Daily life. The 5 Spiritual Practices is just the start of the journey and if we really want to experience Spiritual Change we must continue to go on the journey because faith & spirituality comes to human beings that Overcome Suffering – Pain – Adversities. Spiritual Change is a The Unknown and very mystical because we don't know how we are going to Spiritual Change so everything become a learning and understanding. We didn't know what life path Jesus Christ – Jehovah – Buddha want us to go down because life is a Mystery but what we did know is that Spiritual Change will be important for your Faith & Spiritual Development. If we don't go through the 5 Spiritual Practices and discover which Spiritual Practices works best for us then we may never understand Spiritual Change. You need to learn & understand to discover Spiritual Change. Remember you don't need a Books, Audio, Podcast, Messages, Video to inspire you to do the 5 Spiritual Practices this is something you can do with yourself today by just taking the first steps in 5 Spiritual Practices. Remember no one can give you the answers for you because you have to discover the answers for yourself. There is no philosopher,

Guru, Teacher, Pastor, Evangelist, Speaker that can give you the answers you have to discover it. When we understand that Spiritual Change involved learning & understanding then we become more observe and more open minded. If we are always busy working hard in the office or doing other activities, we may never discover it for ourselves. Spiritual Change has nothing to do with School, University, College or the education we are taught day to day because it all based on older tradition and it not living or evolving or moving. That why you don't need to go to School, University, College to find Spiritual Change if you choose to go to School, University, College to study a subject you're interested in that is ok but it will never lead you to Truth – Faith – Spirituality. Spiritual Change has no path to it – Quote from **Jiddu Krishnamurti – “Truth is a pathless land”**. I am encouraging the spiritual leaders, spiritual seekers, spiritual creators that if you want to discover Faith & Spirituality you need to go on a Spiritual Path which as no Destination or path to it because its Truth & Spiritual. Spiritual Change will change your whole life from The Self into No Self which is very important in life. Jesus Christ –

Jehovah – Buddha want you to discover Spiritual Change because this is part of your Spiritual Life Journey. Sometimes in life many human beings are too busy within daily life to find out who they are as a human being. What are your Morals, Values, Beliefs? What is truly Important for you? Who do I want to be in the world? What am I being called to do? How can I be more spiritual & faithful? I want to find Jesus Christ – Jehovah – Buddha for myself? Do I need to study in College – University – School to find what is Truth & Spiritual? These are just some of the important questions that most human beings don't have the answers too because they never discover themselves and who they are as a human being. Remember what I said in the beginning "The Self" is the main reason why people don't discover Spiritual Change because they are too focused on themselves and their daily life. Sometimes to find something true you need to look past the world & society of how human beings live their life. This can become very hard to do I really do understand that but you cannot see truth through the eyes of lust, money, materialism, corruption, negativity of our society and world. That is why I said that The Self is the problem and until

you really change The Self and Negativity Behaviour you cannot find the Truth of Faith & Spirituality. **The Spiritual Change is a Process not a Destination.**

3. **The Ending (No Self)** – When we learn about the Spiritual Awakening, Understanding the Self, going through the process of Spiritual Change then we discover the No Self. What is the No Self? You totally understand yourself as a human being – No Self – Know Thyself. Now why does the Spiritual Change become the most important thing in Spiritual Awakening and Faith & Spiritual Development because if you don't go through a Spiritual Change, you cannot discover the No Self & Selflessness. This has become one of the most important things to learn in daily life but many human beings will never get to No Self because of The Self and that how they life become Selfish, greed, jealous, envy, corruption, destruction. The Self is the Problem to the No Self. The No Self is the Spiritual Change of the Future. No Self means you have Spiritual Transformed from The Self to No Self and there No More Self in you. This is the Spiritual Change which starts with Spiritual

Awakening. You cannot achieve No Self without going through Suffering – Pain – Adversities. You can no become No Self without Spiritual Awakening. So, within life – faith – spirituality the Future is moving into Spiritual Change – No Self – Know Thyself because that what Jesus Christ – Jehovah – Buddha want human beings to become. It has nothing to do with money, status, jobs, careers, business, volunteering, family, friends, relative. No Nothing of this is the Path of Faith & Spirituality No. The Spiritual Path is No Self & Selflessness. Spiritual Change into the No Self. This is the Spiritual Future of Humanity – Animals – Universe which Jesus Christ – Jehovah – Buddha want all human being to LIVE. No Self & Selflessness. When we understand that life is moving into the Future as Time & Space moves through the Universe. We must all make a choice & decision to Spiritual Change Now and don't delay the important of Spiritual Change because this is the real difference between The Self & No Self. The Spiritual Change that comes from No Self make you focus your life, time, passion, energy into helping other people & giving back because when you Spiritual Change you don't have a Self as part

of you. Normally human beings focus on The Self – My Careers, My Family, My Children, My House, My Car, My Money, My Job but when you truly think about I, I, I or Me, Me, Me or My, my, my you live Selfishly and you don't help other people or give back that why. Most people don't change from The Self to No Self because of Selfishness. The Self is the problem for millions and billions of people and Jesus Christ – Jehovah – Buddha is trying to show Humanity that you need to change to the No Self – Faith – Spirituality because it is important for Faith & Spiritual Development. Spiritual Change is the Future of No Self. Humanity – Animals – Universe should all being spiritually changing to No Self. When you live the No Self you have more energy, passion, faith, spirituality. But when you focus on I, I, I or Me, Me, Me or My, my, my you will never find or discover No Self. You don't need any Books – Videos – Messages – Audio – Podcast – University – School – College to discover No Self it is already within you as human being but you have not discovered it yet. No Self focus your life on helping other people & giving back because this becomes the most important work to do. No for The Self but to live the No Self.

Jesus Christ – Jehovah – Buddha wants you to contribute and help other people & give back. When we think about the The Ending (No Self) we are truly thinking a life where I have made Spiritual Contributions to Helping Other People & Giving Back. Spiritual Change is the Future of No Self. The No Self is not The Ending it just the Beginning of life spiritual journey which Jesus Christ – Jehovah – Buddha has waiting for you if only you can see into the Faith & Spiritual. No Self now means living The Spiritual Legacy Now within Daily Living not when you passed away. No. Within your daily life now in the Living. **The Dying is the Living.** The Self needs to be changed into No Self to find Truth – Faith – Spirituality.

Different type of Business Structures/Ownership

A **sole proprietorship**, also known as a sole trader, is owned by one person and operates for their benefit. The owner operates the business alone and may hire employees. A sole proprietor has unlimited liability for all obligations incurred by the business, whether from operating costs or judgments against the business. All assets of the business belong to a sole proprietor, including, for example, a computer infrastructure, any inventory, manufacturing equipment, or retail fixtures, as

well as any real property owned by the sole proprietor.

A **partnership** is a business owned by two or more people. In most forms of partnerships, each partner has unlimited liability for the debts incurred by the business. The three most prevalent types of for-profit partnerships are general partnerships, limited partnerships, and limited liability partnerships.

Corporations' owners have limited liability, and the business has a separate legal personality from its owners. Corporations can be either government-owned or privately owned, and they can organize either for profit or as non-profit organizations. A privately owned, for-profit corporation is owned by its shareholders, who elect a board of directors to direct the corporation and hire its managerial staff. A privately owned, for-profit corporation can be either privately held by a small group of individuals, or publicly held, with publicly traded shares listed on a stock exchange.

A **cooperative** or co-op is a limited-liability business that can organize as for-profit or not-for-profit. A cooperative differs from a corporation in that it has members, not shareholders, and they share decision-making authority. Cooperatives are typically classified as either consumer cooperatives or worker cooperatives. Cooperatives are fundamental to the ideology of economic democracy.

Limited liability companies (LLC) and other specific types of business organization protect their owners or shareholders

from business failure by doing business under a separate legal entity with

certain legal protections. In contrast, a general partnership or persons working on their own are usually not as protected.

A **franchise** is a system in which entrepreneurs purchase the rights to open and run a business from a larger corporation.[10] Franchising in the United States is widespread and is a major economic powerhouse. One out of twelve retail businesses in the United States are franchised and 8 million people are employed in a franchised business.

Company limited by guarantee is commonly used where companies are formed for non-commercial purposes, such as clubs or charities. The members guarantee the payment of certain (usually nominal) amounts if the company goes into insolvent liquidation, but otherwise, they have no economic rights in relation to the company. This type of company is common in England. A company limited by guarantee may be with or without having share capital.

A **company limited by shares** is the most common form of the company used for business ventures. Specifically, a limited company is a "company in which the liability of each shareholder is limited to the amount individually invested" with corporations being "the most common example of a limited company." [12] This type of company is common in England and many English-speaking countries. A company limited by shares may be a

- publicly traded company or a - privately held company.

Genesis

The Beginning

1 In the beginning, God created the heaven and the earth.

- **Genesis 1.1 KJV – As we read that Jehovah created the Heaven & Earth. This is the scripture in the Holy Bible of Genesis. The living God (Jehovah) created the Heaven and Earth**

for Humanity – Animals – The universe and all living beings. Jehovah created everything in Heaven & Earth within the Cosmic & Universe. Jehovah is the Living Spiritual God of all creations. Jehovah was at the beginning of all creations and created Heaven & Earth for all of us.

2 And the earth was without form and void, and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.

- **Genesis 1.2 KJV - As we read Jehovah saw that Earth was without form and void which means that Earth was empty and how nothing inside of it. Jehovah saw that there was darkness of the deep and the Spirit of God moved upon the face of waters. Jehovah the living God saw that Earth was in darkness and something needed**

to happen for it to have life within his creations.

3 And God said, let there be light: and there was light.

- Genesis 1.3 KJV – Jehovah said let there be light on Earth and there was light within Earth which was in darkness & void. Jehovah created the light within Earth because Jehovah the living god has the Spiritual Authority to create all living things in Earth & Heaven. Jehovah wanted there to be light within Earth so that the void would be light & there would be no more darkness within Earth. It is important to realize that Jehovah created Light because he is the God of all Living things.

4 And God saw the light, that it was good: and God divided the light from the darkness.

- Genesis 1.4 KJV – Jehovah saw that the light was good and divided the light from the

darkness which is very important in Creation. If Jehovah didn't separate the light from darkness, then we would live in the Earth which is in Deep void and darkness. Jehovah had to create light within the earth to help Humanity - Animals - The universe in his creation. This is very important to understand that light had to be created.

5 And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.

- **Genesis 1.5 KJV - Jehovah called the light (Day) and the Darkness (Night). Jehovah separates the light from darkness. As we see life, we have 24 hours within the day we have Morning - Afternoon - Evening. Normally we have 12 hours of Light (Day) and 12 hours of darkness (Night) because Jehovah separated the light from darkness.**

6 And God said, let there be a firmament in the midst of the waters, and let it divide the waters from the waters.

- **Genesis 1.6 KJV – Jehovah divided the Firmament which means (the heavens or sky) from the waters from the waters. Jehovah separated the Heavens – Sky – Waters in his creations.**

7 And God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so.

- **Genesis 1.7 KJV – Jehovah was separating the waters from heaven & sky in his creation. This is very important because within the waters we have Seas & Rivers so Jehovah had to separate and divide the waters from Heaven & sky.**

8 And God called the firmament Heaven. And the evening and the morning were the second day.

- **Genesis 1.8 KJV – Jehovah called the Firmament Heaven and Jehovah said it was the morning of the Second Day. This is very important to learn and realize because Jehovah was doing all of the creations in days (Day 1 to Day 6) within life we have 7 Days. Monday – Tuesday – Wednesday – Thursday – Friday – Saturday – Sunday. So, Jehovah finished the work of the Firmaments on the Second Day and called it Heaven which was on Tuesday.**

9 And God said, Let the waters under the heaven be gathered together unto one place, and let the dry land appear: and it was so.

- **Genesis 1.9 KJV – Jehovah started to gather all the waters under heaven to one place and let the dry land appear. This is very important to learn because, within Jehovah's creation, the waters (Sea & Rivers) are separated from Dry**

Land. When you look at land you can see the dry land and the Sea & Rivers flow through the Dry Land within affect the land because Jehovah separated the Waters & Land.

10 And God called the dry land Earth, and the gathering together of the waters called he Seas: and God saw that it was good.

- **Genesis 1.10 KJV – Jehovah saw that the dry land was good and called it Earth and saw that the Sea was good. Jehovah was seeing his creations and said it was good. Jehovah is always working and creating new things in reality & universe. Jehovah saw his work as good because he was the living god of Everything. We need to understand that Jehovah can separate Earth – Heaven – Waters – Dry Land because he is the living god of all creation.**

11 And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth: and it was so.

- **Genesis 1.11 KJV – Jehovah created the grass, herb, seeds, fruits, and creations all of these things after its kind. Jehovah is the living god of all creation so it was very important to understand that Jehovah was making everything from its own kind – seed – fruits – herbs.**

12 And the earth brought forth grass, and herb yielding seed after his kind, and the tree yielding fruit, whose seed was in itself, after his kind: and God saw that it was good.

- **Genesis 1.12 KJV – Jehovah saw that the grass – seed – fruit was good and Jehovah was seeing his creation as good. We need to understand that Jehovah doesn't rush any work he does in**

creation everything is done on a gradually slow progress which is very important to learn.

13 And the evening and the morning were the third day.

- **Genesis 1.13 KJV – Jehovah finished his work in the evening and the morning was the third day. As we read through Jehovah's creation Jehovah was working on his spiritual creation for Humanity – Animals – Universe and work on each day which is very important to learn.**

14 And God said, let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years:

- **Genesis 1.14 KJV – Jehovah said let the lights in the firmaments of the heaven divide the day from night. As we read Jehovah was continuing to separate the waters from Heavens & Sky. Jehovah shows signs of Seasons – days – years.**

As we have been reading Jehovah created the Seasons (spring, summer, autumn, winter), Days (Monday - Tuesday - Wednesday - Thursday - Friday - Saturday - Sunday), Years (1400 - 1500 - 1600 -1700 -1900 - 2000 - 2025, etc)

15 And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so.

- **Genesis 1.15 KJV -Jehovah gave light in the firmament of the Heaven to the earth and it was so. As we read, we can see that Jehovah was creating light within Heaven & Earth.**

16 And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also.

- **Genesis 1.16 KJV - Jehovah made two great lights 1) The greater light to rule the day. 2) lesser light to rule the night. Jehovah created**

the stars in the universe. As we read Jehovah is always creating new things in reality & universe.

17 And God set them in the firmament of the heaven to give light upon the earth,

- Genesis 1.17 KJV – Jehovah gave light to the Earth. Jehovah is trying to show Humanity – Animals – The universe that we need light within the Earth because everything is full of darkness. Jehovah wants you to understand without the light there will always be darkness. Jehovah in his creation was creating light for Humanity – Animals – Universe.

18 And to rule over the day and over the night, and to divide the light from the darkness: and God saw that it was good.

- Genesis 1.18 KJV – Jehovah saw that that the light he created was good which was ruler over the Day & Night. We need to understand that

**Jehovah is bringing light into Earth & Universe.
Jehovah is always working to create light in his creation.**

19 And the evening and the morning were the fourth day.

- **Genesis 1.19 KJV – Jehovah finished his work in the evening and the morning was the fourth day. Jehovah is always working on his creation.**

20 And God said, Let the waters bring forth abundantly the moving creature that hath life and fowl that may fly above the earth in the open firmament of heaven.

- **Genesis 1.20 KJV – As we read that Jehovah was let the waters bring forth abundantly the moving of creature (living Beings). Jehovah continues to open up the firmament of heaven. As we read Jehovah was always creating new things in his creation.**

21 And God created great whales, and every living creature that moveth, which the waters brought forth abundantly, after their kind, and every winged fowl after his kind: and God saw that it was good.

- **Genesis 1.21 KJV – Jehovah was creating all living creatures and Jehovah saw it was good. As we read Jehovah saw that his creation of a living creature was good.**

22.And God blessed them, saying, be fruitful, and multiply, and fill the waters in the seas, and let fowl multiply in the earth.

- **Genesis 1.21 KJV – Jehovah blessed the living creature and said become fruitful and multiply. Fill the waters – seas – and airs on earth. Jehovah blessed the living creatures on earth.**

23.And the evening and the morning were the fifth day.

- **Genesis 1.22 KJV – Jehovah finished his work and it was evening and the morning was the**

fifth day. Jehovah is always working and creating new things in creation.

24 And God said, Let the earth bring forth the living creature after his kind, cattle, and creeping thing, and beast of the earth after his kind: and it was so.

- **Genesis 1.24 KJV – Jehovah said let the earth bring forth the living creature after his kind. As we read Jehovah was always creating living creatures after their kind.**

25 And God made the beast of the earth after his kind, and cattle after their kind, and everything that creepeth upon the earth after his kind: and God saw that it was good.

- **Genesis 1.25 KJV – Jehovah continued to create every living creature after their kind. As we read Jehovah is the living god of all creations and all living things.**

26 And God said, let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.

- **Genesis 1.26 KJV – Jehovah created Human Beings in our image (humans possess unique qualities that reflect God's character, such as intellect, morality, and the ability to relate to God and others). Jehovah created human beings to have dominion over creatures (Animals). As we read, we can see that Jehovah is giving human beings spiritual authority over living creatures.**

27 So God created man in his own image, in the image of God created he him; male and female created he them.

- **Genesis 1.27 KJV – Jehovah created Male & Female in the likeness of their own image.**

28 And God blessed them, and God said unto them, be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.

- **Genesis 1.28 KJV – Jehovah wanted human beings to become fruitful and multiply over living creatures (animals). Jehovah is giving humanity the opportunity to be a part of creation and work for him. Jehovah wants you to work for him and live your life when you're spiritually going all out for Jehovah. This is very important and must be learned Jehovah wants you to be blessed and multiply and become abundance.**

29 And God said, Behold, I have given you every herb bearing seed, which is upon the face of all the earth, and every tree, in the which is the fruit of a tree yielding seed; to you, it shall be for meat.

- **Genesis 1.29 KJV – Jehovah is giving us all herbs, every tree, every fruit for us.**

30 And to every beast of the earth, and to every fowl of the air, and to everything that creepeth upon the earth, wherein there is life, I have given every green herb for meat: and it was so.

- **Genesis 1.30 KJV – Jehovah was giving as every fruit – every tree – every herb for us.**

31 And God saw everything that he had made, and, behold, it was very good. And the evening and the morning were the sixth day.

- **Genesis 1.31 KJV – Jehovah said all his creation was good and Jehovah saw it was evening and the morning was the sixth day.**

2 Thus the heavens and the earth were finished, and all the host of them.

- **Genesis 2.1 KJV – Jehovah finished all his work on the Seventh Day (Day 7).**

2 And on the seventh day God ended his work which he had made, and he rested on the seventh day from all his work which he had made.

- **Genesis 2.2 KJV – Jehovah completed all of his work of Creation on the Seventh day (Heaven & Earth) and Jehovah rested from all his work which he had made.**

3 And God blessed the seventh day, and sanctified it: because that in it he had rested from all his work which God created and made.

- **Genesis 2.3 KJV – Jehovah rested from all his work he had made and sanctified the Seventh day (Day 7) which is a Sunday (Jehovah sanctified the seventh day because He rested from His work of creation on that day, as stated in Genesis 2:2-3. He blessed and set it apart as holy to mark the completion of creation and as an example for humanity to follow)**

It is important to realize that Jehovah wanted Humanity – Animals – Universe to live in unity, love, peace, and harmony with his creations. Jehovah is a living spiritual god of blessings and abundance. Jehovah wants us to live our lives and honour him and his creations. Jehovah has given us all life to live for him and live our lives honouring him.

It is important to understand that Jehovah is the living god of all creations – The Beginning – The Middle – The

End (The First & The Last of All Creation) (The Alpha & The Omega).

Jehovah is the living spiritual god of all creations which means that Jehovah is No Self he is everywhere and everything.

In the Holy Bible, it says

John 4:24 KJV

24 God is a Spirit: and they that worship him must worship him in spirit and in truth.

John 14:10-11

Do you not believe that I am in the Father, and the Father in Me? The words that I speak to you I do not speak on My own authority, but the Father who dwells in Me does the works. Believe Me that I am in the Father and the Father in Me, or else believe Me for the sake of the works themselves.

John 14:23

Jesus answered and said to him, "If anyone loves Me, he will keep My word; and My Father will love him, and We will come to him and make Our home with him.

2 Corinthians 3:17

Now the Lord is the Spirit; and where the Spirit of the Lord is, there is liberty.

John 14:20

On that day you will know that I am in My Father, and you in Me, and I in you.

John 17:21-22

that they all may be one, as You, Father, are in Me, and I in You; that they also may be one in Us, that the world may believe that You sent Me. And the glory which You gave Me I have given them, that they may be one just as We are one:

We need to understand that Jehovah is everywhere and lives within everything because he is the creator of all

creations and all living beings. As we understand that Jehovah is a Spirit and Jehovah's spirit lives in us, we need to learn how we can discover Jehovah's spirit.

The No Self is the spirit of Jehovah because it is a spiritual change between living & dying.

In the Bible, Jehovah's primary purpose for humanity is to have humans live forever in a paradise on earth, enjoying perfect health and conditions. He created humans with a "spiritual need" to know and worship him, and He desires for them to develop a close relationship with Him. This purpose is fulfilled through obedience to His commands and the establishment of His Kingdom.

Jehovah wants human beings to worship him and live a life honouring him. Jehovah's purpose within Humanity is for human beings to live in love, peace, and harmony and to establish their Kingdom of Heaven on Earth.

By discovering the No Self, we discover and build a closer relationship with Jehovah. It is important that we read the bible and understand what Jehovah wants us to do in life.

Jehovah is the living god of all creations and Jehovah has called all human beings to worship and live for him.

Jehovah wants humanity to discover the No Self and help Humanity – Animals – Universe lives in Love, Peace Harmony, and Unity.

Jehovah wants us to be obedient to his commandments and laws which he has given Humanity.

The Ten Commandants (Jehovah Laws & Commandants)

The Ten Commandants

1. You shall have no gods before me.
2. You shall not make any idols to worship.
3. You shall not take the Lord's name in vain.

4. Remember the Sabbath day and keep it holy.
5. Honour your father and your mother.
6. You shall not kill.
7. You shall not commit adultery.
8. You shall not steal.
9. You shall not bear false witness.
10. You shall not covet your neighbour's goods.

Jehovah has given us these commandments so that we live life righteously and honour our relationship with Jehovah.

When we understand that the No Self is the Spiritual Change of Humanity.

We can only understand the No Self when we understand Jehovah's Spirit.

Jesus Christ

We are now going to understand Jesus Christ's ministry on Earth because this is very important in understanding No Self.

In order to understand Jesus Christ's Ministry, we need to look through the Bible Scriptures.

Jesus' ministry, as described in the Bible, involved teaching, preaching, healing, and casting out demons, all while embodying God's kingdom and serving others. Key scriptures highlight his teachings.

John 3:16 ESV

“For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life.

Luke 19:10 ESV

For the Son of Man came to seek and to save the lost.”

Matthew 28:18–20

And Jesus came and said to them, “All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age.”

Ephesians 4:11–13

And he gave the apostles, the prophets, the evangelists, the shepherds, and teachers, to equip the saints for the work of ministry, for building up the body of Christ, until we all attain to the unity of the faith and of the knowledge of the Son of God, to mature manhood, to the measure of the stature of the fullness of Christ

2 Corinthians 4:1–6

Therefore, having this ministry by the mercy of God, we do not lose heart. But we have renounced

disgraceful, underhanded ways. We refuse to practice cunning or to tamper with God's word, but by the open statement of the truth, we would commend ourselves to everyone's conscience in the sight of God. And even if our gospel is veiled, it is veiled to those who are perishing. In their case the god of this world has blinded the minds of the unbelievers, to keep them from seeing the light of the gospel of the glory of Christ, who is the image of God. For what we proclaim is not ourselves, but Jesus Christ as Lord, with ourselves as your servants for Jesus' sake. For God, who said, "Let light shine out of darkness," has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ.

John 5:17

But Jesus answered them, "My Father has been working until now, and I have been working."

John 6:44-45

No one can come to Me unless the Father who sent Me draws him, and I will raise him up on the last day. It is written in the prophets, 'And they shall all be taught by God. 'Therefore, everyone who has heard and learned from the Father comes to Me.

1 Corinthians 15:28

Now when all things are made subject to Him, then the Son Himself will also be subject to Him who put all things under Him, that God may be all in all.

John 4:34

Jesus said to them, "My food is to do the will of Him who sent Me and to finish His work.

John 9:4

I must work the works of Him who sent Me while it is day; the night is coming when no one can work.

Hebrews 12:2

looking unto Jesus, the author and finisher of our faith, who for the joy that was set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of God.

John 1:14 ESV

And the Word became flesh and dwelt among us, and we have seen his glory, glory as of the only Son from the Father, full of grace and truth.

John 14:6 ESV

Jesus said to him, “I am the way, and the truth, and the life. No one comes to the Father except through me.

John 4:46-54

Jesus Heals an Official's Son

46 So he came again to Cana in Galilee, where he had made the water wine. And at Capernaum, there was an official whose son was ill. 47 When this man heard

that Jesus had come from Judea to Galilee, he went to him and asked him to come down and heal his son, for he was at the point of death. 48 So Jesus said to him, “Unless you[a] see signs and wonders you will not believe.” 49 The official said to him, “Sir, come down before my child dies.” 50 Jesus said to him, “Go; your son will live.” The man believed the word that Jesus spoke to him and went on his way. 51 As he was going down, his servants[b] met him and told him that his son was recovering. 52 So he asked them the hour when he began to get better, and they said to him, “Yesterday at the seventh hour[c] the fever left him.” 53 The father knew that was the hour when Jesus had said to him, “Your son will live.” And he himself believed, and all his household. 54 This was now the second sign that Jesus did when he had come from Judea to Galilee.

Luke 13:10-17 ESV

Now he was teaching in one of the synagogues on the Sabbath. And behold, there was a woman who had had a disabling spirit for eighteen years. She was bent over and could not fully straighten herself. When Jesus saw her, he called her over and said to her, “Woman, you are freed from your disability.” And he laid his hands on her, and immediately she was made straight, and she glorified God. But the ruler of the synagogue, indignant because Jesus had healed on the Sabbath, said to the people, “There are six days in which work ought to be done. Come on those days and be healed, and not on the Sabbath day.”

Matthew 8:5-13 ESV

When he had entered Capernaum, a centurion came forward to him, appealing to him, “Lord, my servant is lying paralyzed at home, suffering terribly.” And he said to him, “I will come and heal him.” But the

centurion replied, “Lord, I am not worthy to have you come under my roof, but only say the word and my servant will be healed. For I too am a man under authority, with soldiers under me. And I say to one, ‘Go,’ and he goes, and to another, ‘Come,’ and he comes, and to my servant, ‘Do this,’ and he does it.”

...

Luke 8:43-48 ESV

And there was a woman who had had a discharge of blood for twelve years, and though she had spent all her life on physicians, she could not be healed by anyone. She came up behind him and touched the fringe of his garment, and immediately her discharge of blood ceased. And Jesus said, “Who was it that touched me?” When all denied it, Peter said, “Master, the crowds surround you and are pressing in on you!” But Jesus said, “Someone touched me, for I perceive that power has gone out from me.” And

when the woman saw that she was not hidden, she came trembling, and falling down before he declared in the presence of all the people why she had touched him, and how she had been immediately healed. ...

John 9:1-41 ESV

As he passed by, he saw a man blind from birth. And his disciples asked him, “Rabbi, who sinned, this man or his parents, that he was born blind?” Jesus answered, “It was not that this man sinned, or his parents, but that the works of God might be displayed in him. We must work the works of him who sent me while it is day; night is coming when no one can work. As long as I am in the world, I am the light of the world.” ...

Mark 1:40-45 ESV

And a leper came to him, imploring him, and kneeling said to him, “If you will, you can make me clean.” Moved with pity, he stretched out his hand and

touched him and said to him, “I will; be clean.” And immediately the leprosy left him, and he was made clean. And Jesus sternly charged him and sent him away at once, and said to him, “See that you say nothing to anyone, but go, show yourself to the priest and offer for your cleansing what Moses commanded, for a proof to them.” ...

Matthew 8:23-27 ESV

And when he got into the boat, his disciples followed him. And behold, there arose a great storm on the sea so that the boat was being swamped by the waves; but he was asleep. And they went and woke him, saying, “Save us, Lord; we are perishing.” And he said to them, “Why are you afraid, O you of little faith?” Then he rose and rebuked the winds and the sea, and there was a great calm. And the men marveled, saying, “What sort of man is this, that even winds and sea obey him?”

Matthew 9:27-31 ESV

And as Jesus passed on from there, two blind men followed him, crying aloud, “Have mercy on us, Son of David.” When he entered the house, the blind men came to him, and Jesus said to them, “Do you believe that I am able to do this?” They said to him, “Yes, Lord.” Then he touched their eyes, saying, “According to your faith be it done to you.” And their eyes were opened. And Jesus sternly warned them, “See that no one knows about it.” But they went away and spread his fame through all that district.

Mark 7:31-37 ESV

Then he returned from the region of Tyre and went through Sidon to the Sea of Galilee, in the region of the Decapolis. And they brought to him a man who was deaf and had a speech impediment, and they begged him to lay his hand on him. Taking him aside from the crowd privately, he put his fingers into his

ears, and after spitting touched his tongue. And looking up to heaven, he sighed and said to him, “Ephphatha,” that is, “Be opened.” And his ears were opened, his tongue was released, and he spoke plainly. ...

John 2:15

15 So he made a whip out of cords, and drove all from the temple courts, both sheep and cattle; he scattered the coins of the money changers and overturned their tables.

John 4:48

48 “Unless you people see signs and wonders,” Jesus told him, “You will never believe.”

John 15:13-15

13 Greater love has no one than this: to lay down one’s life for one’s friends.

14 You are my friends if you do what I command.

15 I no longer call you servants, because a servant does not know his master's business. Instead, I have called you friends, for everything that I learned from my Father I have made known to you.

John 17:21-23

21 that all of them may be one, Father, just as you are in me and I am in you. May they also be in us so that the world may believe that you have sent me.

22 I have given them the glory that you gave me, that they may be one as we are one—

23 I in them and you in me—so that they may be brought to complete unity. Then the world will know that you sent me and have loved them even as you have loved me.

When we read through the Bible Scriptures of Jesus Christ, we can see that Jesus Christ was doing Jehovah's Will and the work which Jesus Christ did on earth was to

build Jehovah's Kingdom & build the Church. Jesus Christ was the founder of Christianity (Religion) and wanted Humanity to be united with Jehovah on earth. Jesus Christ builds the church to bring Christians & Followers to worship Jehovah. Jesus Christ was born from the Holy Spirit & Mary (Mother of Jesus Christ). Jehovah wanted Mary to be born to Jesus Christ because Jesus Christ was the saviour of humanity and the Son of Man. Jesus Christ had to come into the world through a woman which is how all babies are born into the world but Jesus Christ was a special baby because he was not born by a human being's father but by living God Jehovah. Jesus Christ's life was to do Jehovah's will and build the kingdom of God. Jesus Christ focused his whole life on ministry from beginning to end and fulfilled his spiritual calling on earth for Jehovah.

Jesus Christ's life was the No Self and Jesus Christ served all of Humanity by healing, preaching, teaching, evangelizing, ministering, and pastoring.

Jesus Christ wanted the 12 Disciples to finish the work of Jehovah's Kingdom on earth before Jesus Christ ascended to heaven to be with Jehovah.

Jesus Christ had to die on the cross to save humanity from sins & destruction.

Jesus Christ is the way humanity builds a relationship with Jehovah by believing in who Jehovah sent which was Jesus Christ.

By shedding His blood on the cross, Jesus took the punishment we deserve and offered us His righteousness. When we trust Christ for our salvation, essentially, we are making a trade. By faith, we trade our sin and its accompanying death penalty for His righteousness and life.

Jesus Christ wants Humanity to take up their cross and Follow Me and Jesus Christ always wants us to do Jehovah's Will.

Matthew 16:24-26

24 Then Jesus told his disciples, “If anyone would come after me, let him deny himself and take up his cross and follow me. 25 For whoever would save his life will lose it, but whoever loses his life for my sake will find it.

Jesus Christ is trying to show us in this bible scripture that we must lose our lives to gain spiritual life & No Self by denying ourselves, take up your cross, follow me you will be living the spirit of Jehovah which is the Spiritual Change of No Self.

No Self in Jesus Christ's life was to live for Jehovah and finish all the work he was put on Earth to do for Jehovah.

Buddha

We are now going to look at Buddha's work & ministry in Buddhism (Religion)

The Buddha's "Work" — His Life Mission

After attaining enlightenment under the Bodhi tree around the age of 35, the Buddha dedicated the rest of his life (about 45 years) to:

- Teaching the Dharma (truth/law of existence)
- Helping others achieve liberation from suffering (dukkha)
- Establishing a monastic community (the Sangha)

Buddha Ministry – How He Carried Out His Mission

- **First Sermon at Sarnath**

Right after enlightenment, he delivered his first teaching to five former companions. This sermon included the foundational concepts:

- The Four Noble Truths
- The Noble Eightfold Path

This moment marks the beginning of his ministry.

- **Traveling Teacher**

He spent most of his life walking through northern India and Nepal, teaching all kinds of people — kings, merchants, monks, women, even criminals — in parks, forests, and villages.

- **Establishing the Sangha**

He created a community of monks and nuns to preserve and spread his teachings. The Sangha still exists today in many forms.

- **Core Message of His Ministry**

Life involves suffering, but there's a path to end it — through ethical living, meditation, and wisdom.

He rejected blind faith and emphasized direct experience, compassion, and inner peace.

- **Legacy**

The Buddha passed away at 80 (around 483 BCE), entering Parinirvana — complete liberation. His

teachings formed the foundation of Buddhism, which spread throughout Asia and, eventually, the world.

Buddha's Ministry Timeline

- 563 BCE – Birth of Siddhartha Gautama

Born into a royal family in Lumbini (modern-day Nepal)

Lived a sheltered, luxurious life

- 29 years old – The Four Sights

Saw an old man, a sick person, a corpse, and a monk

Realized life includes suffering → began a spiritual quest

- 35 years old – Enlightenment

Meditated under the Bodhi tree in Bodh Gaya

Became the Buddha (“Awakened One”)

- First Teaching at Sarnath

Taught the Four Noble Truths and Eightfold Path

Formed the first community of monks (Sangha)

- 35–80 years old – Ministry Years

Travelled throughout northern India for 45 years

Taught kings, farmers, monks, women, and children

Encouraged compassion, meditation, and self-awareness

- 483 BCE – Death (Parinirvana)

Passed away in Kushinagar

The Four Noble Truths

- Dukkha – Life involves suffering
- Samudaya – Suffering has a cause (craving, attachment)
- Nirodha – There is an end to suffering
- Magga – Follow the Noble Eightfold Path to end it

The Noble Eightfold Path

Divided into 3 categories:

Wisdom

- Right View
- Right Intention

Ethics

- Right Speech
- Right Action
- Right Livelihood

Meditation

- Right Effort
- Right Mindfulness
- Right Concentration

Key Values of His Ministry

- Compassion over judgment
- Mindfulness in every moment
- Inner peace over material wealth

Liberation is for everyone — not just priests or elites

Buddha's teachings on meditation are at the very heart of his path to enlightenment and form a central pillar of Buddhist practice. Here are the key aspects of his teachings on meditation:

- **Purpose of Meditation in Buddhism**

Meditation isn't just about relaxation or stress relief (though that can happen). For the Buddha, meditation was a path to:

Insight (Vipassana) – Seeing reality clearly, understanding the nature of impermanence, suffering, and the self.

Calm (Samatha) – Developing deep states of mental stillness and concentration.

Liberation (Nirvana) – Freeing the mind from ignorance, craving, and suffering.

2. The Two Main Types of Meditation

Samatha (Calm-abiding)

Focuses on concentration and mental stillness.

Often involves focusing on the breath, a mantra, or a visual object.

Leads to deep states of meditative absorption (jhana).

Vipassana (Insight)

Involves observing bodily sensations, thoughts, and feelings with non-attachment.

Aimed at seeing the true nature of reality — impermanence (anicca), suffering (dukkha), and non-self (anatta).

Many traditions (like Theravāda) use Samatha as a foundation to build up to Vipassana.

3. The Four Foundations of Mindfulness (Satipatthana)

This is a core teaching from the Buddha, found in the Satipatthana Sutta, and it outlines where to place your awareness:

Mindfulness of Body – Breathing, posture, movements, and physical sensations.

Mindfulness of Feelings – Pleasant, unpleasant, or neutral feelings.

Mindfulness of Mind – Observing states like anger, desire, confusion, etc.

Mindfulness of Mental Objects – Examining thoughts, teachings (like the Four Noble Truths), and mental patterns.

4. Meditation in the Eightfold Path

Right Meditation (or Right Concentration) is the 8th limb of the Noble Eightfold Path, but it also links with:

Right Mindfulness – Awareness without judgment.

Right Effort – Cultivating wholesome states and letting go of unwholesome ones.

5. What the Buddha Said

A few direct quotes attributed to the Buddha:

"Do not dwell in the past, do not dream of the future, concentrate the mind on the present moment."

"Meditate ... do not delay, lest you later regret it."

"Just as a candle cannot burn without fire, men cannot live without a spiritual life."

The Four Noble Truths

1. The Noble Truth of Suffering (Dukkha)

What it means:

Life involves suffering or dissatisfaction. This doesn't mean everything is miserable, but that even happiness is temporary and subject to change.

Examples of suffering:

- Physical pain or illness
- Emotional pain like sadness, anxiety, or heartbreak
- The discomfort of change or not getting what you want
- The suffering of birth, aging, and death

Key idea:

Suffering is a natural part of existence. Recognizing it is the first step toward freedom.

2. The Noble Truth of the Cause of Suffering (Samudaya)

What it means:

Suffering is caused by craving or attachment (tanha). We suffer because we desire things to be a certain way, and we cling to experiences, people, or identities.

Main causes:

- Craving pleasure
- Wanting to avoid pain
- Clinging to the existence or a sense of "self"

Key idea:

Desire and ignorance are at the root of suffering. When we don't see things as they truly are, we cling—and that clinging leads to pain.

3. The Noble Truth of the End of Suffering (Nirodha)

What it means:

It is possible to end suffering by letting go of craving and attachment. This state is called Nirvana—a liberation from the cycle of suffering and rebirth.

Key idea:

There is peace, freedom, and happiness beyond suffering. It can be realized by understanding and abandoning the causes of suffering.

4. The Noble Truth of the Path to the End of Suffering (Magga)

What it means:

There's a clear path to end suffering, known as the Noble Eightfold Path. It's a practical guide to ethical living, mental discipline, and wisdom.

The Eightfold Path includes:

1. **Right View** – Understanding the Four Noble Truths
2. **Right Intention** – Commitment to compassion and non-attachment
3. **Right Speech** – Speaking truthfully and kindly
4. **Right Action** – Behaving ethically and non-harmfully
5. **Right Livelihood** – Earning a living in a way that doesn't cause harm
6. **Right Effort** – Cultivating positive states of mind

7. **Right Mindfulness** – Being aware of body, feelings, and mind

8. **Right Concentration** – Practicing meditation to deepen awareness

What is non-self?

The teaching of non-self says:

"There is no unchanging, permanent self, soul, or essence in any being or thing."

This is in contrast to many other philosophies or religions that believe in a fixed, eternal soul or self (ātman).

- How Did the Buddha Teach It?

The Buddha observed that:

Everything we think of as "me" or "mine" — the body, thoughts, feelings, perceptions, even consciousness — is impermanent, changing, and not truly ours.

These are all part of the Five Aggregates (pañcakkhandha):

- Form (physical body)
- Feeling (sensations)
- Perception (recognition of things)
- Mental formations (thoughts, intentions)
- Consciousness (awareness)

He said none of these are "self" because they are constantly changing and we cannot control them.

“This is not mine, this I am not, this is not myself.”

— Anatta-lakkhana Sutta (Discourse on the Not-Self Characteristic)

- Why Is This Important?

Believing in a solid "self" leads to:

- Attachment
- Craving
- Ego

- Suffering

When we see through the illusion of self, we let go of clinging, and that leads to liberation (nibbāna).

- In Practice

Buddhist practice encourages:

- Mindfulness to observe how thoughts, feelings, and identity shift constantly.
- Meditation to see directly that what we take as “I” is just a bundle of processes.

This insight brings peace because we stop trying to protect or satisfy a self that isn't really there.

Buddha was the awakened one and wanted to free Humanity from Suffering. In the Buddha's life & ministry, he was focused on helping Humanity to attain enlightenment and freedom from Suffering. Buddha was a spiritual human being who went on the spiritual

path of enlightenment & spiritual liberation. Because the Buddha attained enlightenment when he was 35 years old, he spent 45 Years Teaching (Dukkha), (Samudaya), (Nirodha), (Magga), (and Buddhism) to humanity & Buddhist disciples.

Buddha said that No Self is the "There is no unchanging, permanent self, soul, or essence in any being or thing."

Buddha was explaining that we need to live the No Self to be Thyself – Truth Self – Eternal Self – No Self.

Buddha was explaining that the No Self comes from the right Meditation & Mindfulness. Buddha explained that once you gain enlightenment & spirituality you will understand the Four Noble Truths & The Noble Eightfold Path. Buddha said to be awakened you need to have Truth Knowledge & Wisdom and live life righteous & spiritually.

The Noble Eightfold Path

Wisdom

- Right View
- Right Intention

Ethics

- Right Speech
- Right Action
- Right Livelihood

Meditation

- Right Effort
- Right Mindfulness
- Right Concentration

Chapter 15 - Thank You

I would like to say thank you to Paul Dorrington (Lead Employment Specialist), Karen Meechan (Clinical Psychology), Dag Heward Mills (Pastor, Evangelist, Teacher), Jiddu Krishnamurti (Philosopher, Spiritual Teacher), Jesus Christ – Jehovah - Buddha for helping to write this amazing book and for helping me to overcome my adversity & suffering.

Paul Dorrington (Lead Employment Specialist) – Paul Dorrington helped and supported me when I was 24 – 25 years from homelessness and mental health crisis to get back into Paid Employment in the Mental Health Industry. Paul Dorrington is my Spiritual Hero and I value and respect all of the support and help Paul Dorrington has given me through my years. Christopher Liam Rose & Paul Dorrington's professional relationship has been for 10 years since 2014 – Present. Christopher Liam Rose owes his whole life to Paul Dorrington for showing him mental health recovery and hope, faith, control, and opportunity. Christopher Liam Rose has now worked with Paul Dorrington as an Employment Specialist in SWLSTG at North Kingston Team but will slowly be moving on to a Peer Support Coordinator role at SWLSTG

(Sutton Jubilee Health Centre). Christopher Liam Rose's dream was to work with Paul Dorrington in mental health recovery and IPS Employment Specialist Support. Since Christopher Liam Rose has worked with Paul Dorrington in SWLSTG as an Employment Specialist he has received 2 Awards for excellent IPS Employment Specialist work.

Karen Meechan (Clinical Psychologist) – Karen Meechan helped and supported Christopher Liam Rose in 2014 in Psychology and Counselling Therapy when Christopher Liam Rose went through homelessness and a mental health crisis. Karen Meechan is the main reason why Christopher Liam Rose has developed persistence, resilience, and coping strategies to manage his mental health conditions and learning difficulties of Schizophrenia, Psychosis, Depression, Diabetes, and Dyslexia. Karen is my Spiritual Hero and has helped me to recover from my mental health conditions and learning difficulties. Karen taught Christopher Liam Rose about dealing with Past Trauma, setbacks, overcoming adversity, and life challenges. Karen was the first person that Christopher Liam Rose opened up about his past and trauma. On 30/09/2024 Christopher Liam Rose lost his home and all of his possessions in a fire that burned away everything that

Christopher Liam Rose owned including possessions and music equipment. Karen helped Christopher Liam Rose deal with the fire and past trauma he experienced and showed him the light in helping other people and giving back. Karen told Christopher Liam Rose to write in journals to process his life, feelings, emotions, dreams, and desires. Christopher Liam Rose has been writing in journals since 2015 – Present and how many journals of his past life and experiences within the journals. Christopher Liam Rose & Karen Meechan's professional relationship was from 2014 – 2020 when Karen Meechan supported Christopher Liam Rose in Psychological Therapy 2 times 1) Psychology & Counselling in 2014 2) Psychology & Counselling in 2018. Christopher Liam Rose has experienced serious life setbacks and challenges which Karen Meechan helped me to deal with. Because of Karen Meechan, I can live a normal life and I have recovered from mental health illness.

Dag Heward Mills (Teacher, Pastor, Evangelist) – Dag Heward Mills has been my spiritual Christian father and leader in my Christianity & Spirituality. I have been attending Dag Heward Mills church called Lighthouse Chapel International #LCI 2014 – present. Christopher Liam Rose respects and honours Dag

Heward Mills for all of his teachings, sermons, videos, and audio that he has been learning from since 2014. Dag Heward Mills is one of the main reasons why Christopher Liam Rose has stayed in faith, Christianity, and Spirituality. I have become an Evangelist and Teacher in Christianity and Faith based on Dag Heward Mill's Teachings. I owe my Christian walk with God to Dag Heward Mills and I am very grateful to be a part of Dag Heward Mills church and congregation.

Jiddu Krishnamurti (Spiritual Teacher, Philosopher) – Jiddu Krishnamurti is a very special spiritual teacher and philosopher that helped me with Spirituality and faith. I discovered Jiddu Krishnamurti's Videos Series – A Wholly Different Way of Living with Dr Allan San Diego 1974 on YouTube when I was going through a mental health crisis and breaking up with my ex-partner. Because I watched Jiddu Krishnamurti videos talking about Spirituality, Meditation, Mindfulness, God, Faith, and Religion I started to become a Spiritual person and was practicing meditation and mindfulness. Jiddu Krishnamurti is the main reason why I have changed all of my life spiritually and become a very spiritual person. Jiddu Krishnamurti helped me to find Spirituality and God and I would have not been able to achieve

Spiritually Freedom from the known without Jiddu Krishnamurti's teachings. I have a spiritual aura and spiritual presence because of the teachings of Jiddu Krishnamurti who is my spiritual teacher and spiritual philosopher.

Jesus Christ – Jehovah - Buddha – This has become the most important thing in my life to learn and understand Jesus Christ – Jehovah - Buddha. My faith, Spirituality, and Christianity & Buddhism are very important to me, and being with Jesus Christ – Jehovah - Buddha makes me Spiritual. Being a Christian and learning about Faith, Spirituality, Buddhism Christianity has become everything to me and more. My love and devotion for Jesus Christ – Jehovah - Buddha is everything and that is why I can be an Evangelist, Activist, Teacher in Faith, Spirituality, Buddhism, Christianity.

My spiritual heroes are very important to me in my life story and journey, and they are all the reasons why I have become a spiritual person.

I want you to understand dear readers that you can become spiritual and live a meaningful productive life. My life has been very difficult and challenging but I would change any of

my life experiences because they made me who I am today. The only things I would change about my life are the things I did to hurt other people like --ex-partners, family, and childhood abuse.

My life is not perfect by any means, but I have learned very important life lessons that I want to share in my life story. Please remember readers I am only a human being, and I am not perfect but I want you to feel inspired and hopeful about your future, and by reading my books you will find faith, Spirituality, Buddhism, Christianity and become the person you want to be.
